Dear B&H Customer,

It is with great pride that we present our latest and perhaps most extensively researched SourceBook. We have compiled and painstakingly edited this SourceBook so that it will remain an invaluable reference tool for many years to come.

While we do offer the most complete product selections and competitive prices, our priority remains as always to provide you, our valued customer, with nothing short of excellence in honest, professional and knowledgeable support before, during and after the sale. This SourceBook is just another example of our commitment to serve you.

We are confident that this will remain the B&H Professional Lighting SourceBook your main lighting resource, whether you are a professional, student or imaging enthusiast. Video, cine or still, digital or Analog, the B&H Professional Lighting SourceBook is here to help you make the right choices for all your lighting needs. It is built and written specifically to help you discover the best solution for each case, explaining the benefits of different lighting systems including features and specifications, plus guides to help you choose the right light modifiers, reflectors, stands and much more.

As you browse through these pages, you will find it set out in the same way that you would read a fine novel. The layout, tables, and descriptions are all designed to acquaint you with the latest innovations, products, and insights. We have included an introduction to lighting designed to help you become a more knowledgeable and informed lighting consumer. Be sure to review our reading section where you will find very useful and informative lighting information, excerpted from many of the lighting books available from B&H.

With the B&H Professional Lighting SourceBook at your side, you will be equipped with all the knowledge and tools you need to make the right choices for your lighting needs. It is a reference tool designed to help you become a more knowledgeable and informed lighting consumer.

Remember, B&H is the one-stop source for all your imaging and lighting supplies. Shop the way you like - by mail, phone, online or at our famous superstore. Thank you.

The B&H Lighting Team

P.S. It is always a good idea to check out our latest prices for the following reasons:
1. We are unable to publish our regular discount prices for many products because they are much lower than the manufacturer's minimum suggested advertising price.
2. Unpredictable price changes will inevitably occur during the useful life of this SourceBook.

Our latest and best prices and availability are always accessible at www.bhphotovideo.com. You can also call 800-947-9941 (in New York call 212-444-6641) or visit our Superstore conveniently located in mid-town Manhattan at 420 Ninth Ave. (bet 34th & 33rd St.).

Dear B&H Customer,

It is with great pride that we present our latest and perhaps most extensively researched SourceBook. We have compiled and painstakingly edited this SourceBook so that it will remain an invaluable reference tool for many years to come.

While we do offer a vast range of products and technology, our priority remains to serve you, our valued customer, with nothing short of integrity, honesty, professionalism and a knowledgeble support staff. Our goal is to help you make the right purchase or rental decision. This Sourcebook is just another example of our commitment to serve you.

We are confident that this will make the B&H Professional Lighting Sourcebook your main lighting reference, whether you are a professional, student or imaging enthusiast. Video, cine or still; digital or traditional, the B&H Professional Lighting Sourcebook is here to help you make the right purchase or rental decision for all your lighting needs. It is laid out in an easy to read format with informative introductions to lighting systems, each with a section highlighting the benefits and applications. Pages are organized by fixture type, allowing you to quickly find the information you need.

As you browse through these pages, you will find all the information you need covering fluorescent, HMI, tungsten and electronic flash systems including features and specifications, plus guides to help you choose the appropriate reflectors, stands, light modifiers, filters, backgrounds and much more.

We also included a general introduction to lighting designed to help you become a more knowledgeable lighting consumer. Be sure to review our reading section where you will find very useful and informative lighting information, excerpted from many of the lighting books available from B&H.

With the B&H Professional Lighting Sourcebook at your side, you’ll become a more knowledgeable and creative lighting user in no time.

Remember B&H is the one-stop source for all your imaging and lighting supplies. Shop the way you like - by mail, phone, on-line or at our famous superstore.

Thank you,

The B&H Lighting Team

BY PHONE
Call 800-947-9941 or 212-444-6641 during business hours. When using a credit card, please have your credit card number and expiration date ready. We will need the cardholder’s billing address, home and daytime phone numbers.* Should the shipping address be different then the billing address, we will need a ship-to phone number.

ON LINE
Log on to www.bhphotovideo.com. Place your selections in your shopping cart, and use our secure ordering form to complete your order. Most orders will be shipped within 24 hours.*

BY MAIL
Mail your order to: B&H Photo-Video-Pro Audio, 420 Ninth Avenue, New York, N.Y. 10001. For your convenience, an order form is provided at the end of the SourceBook. Please print your name, address, and phone number clearly. Call to confirm prices before sending in your order. If paying by credit card, please include billing and shipping addresses, credit card number and expiration date, home and daytime phone numbers, and sign your order.* Should the shipping address be different then the billing address, we will need a ship-to phone number. For international orders, please fax a copy of BOTH sides of your credit card.

METHOD OF PAYMENT

Credit card orders must include all information as it appears on the credit card account:
Card Number, Expiration Date, Name of Cardholder, Billing Address, and Phone Number.

We accept certified checks, bank checks or money orders, as well as personal checks with bank-imprinted name, up to $30,000. Checks must be in U.S. funds and drawn on a U.S. bank, subject to approval.

A 10% deposit is required, payable by credit card, which must be received prior to shipment. COD balances are payable only by certified check or money order.

*To protect our customers from fraud, all orders are subject to verification procedures. If we cannot reach you to verify your order, there could be a shipping delay.
We endeavor to ship every order within 24 hours of receiving it. Shipments are generally made via UPS 3-Day Service within the continental U.S.A. (Orders to Post Office boxes will be sent via US mail. Oversized merchandise will be shipped via truck.) For faster delivery, 2nd day air and next day air service are available. Detailed shipping information is listed in the back of this catalog.

- Verify that you received all ordered items
- Carefully inspect that all merchandise is in perfect condition
- Test all equipment after reading instruction manuals
- If there are any problems with your order, please call our Customer Service Department immediately at: Toll Free: 800-221-5743
  In New York: 212-239-7765

**SHIPPING**

**When you receive your order, please follow these instructions**

- Any damage or missing item to your order must be reported within 2 business days from the date of receipt
- Until satisfied with your order...
  - ...DO NOT cut, write on or discard ANY of the packaging materials such as boxes, instructions, styrofoam inserts, plastic bags, etc.
  - ...DO NOT fill out the manufacturer's warranty cards or rebate coupons
- Retain your invoice

B&H has joined forces with a national leasing company to offer flexible, competitive rates with a quick turn-around for establishments seeking additional equipment. Leasing gives you the ability to conserve capital, establish credit value for future needs, and take advantage of upgrades quickly. (If structured properly, a lease has many important tax benefits. We suggest that you consult with your accountant or financial advisor.) Various lease options are available to suit your individual requirements. We offer both the $1.00 Buy-Out with minimal down-payment and the Fair Market Value Lease (True Lease). You may prefer a deferred payment or short term lease. Regardless of the lease you opt for, our leasing department will help you work out a deal which will be best for your business. They will coordinate your lease/sale with our various departments and the finance company and keep you abreast of opportunities and joint ventures between B&H, manufacturers and leasing companies.

From small proprietorships to production companies, to schools and municipalities, your leasing experience with B&H is certain to be a positive one. Call Judy Klein, our lease rep, at (212) 239-7760 #2334.

**LEASING**

**WARRANTIES**

Most items sold by B&H are covered by a manufacturer’s USA, International, or (only those items imported directly by B&H) B&H Warranty. If the item has a manufacturer’s warranty, and it is after the 7-day B&H Customer Satisfaction Guarantee, service calls for repairs should be referred directly to the manufacturer or their authorized service center.

**CORPORATE ACCOUNTS**

We invite representatives of large Corporations and businesses to apply for open account status with B&H Photo. For more information contact our Corporate Account rep, at (212) 239-7760 or (800) 708-5444.

**GOVERNMENTS ACCOUNTS**

Federal Government and Military Customers are welcome to order from us. Please call Federal Government account rep, at 800-708-5444 or 212-239-7760 ext. 2205

We welcome orders from State, City, Municipalities, Schools, Universities and College. Please fax your purchase orders to 212-239-7759. We also accept procurement cards.

**HOLIDAY SCHEDULES**

**PRICE & UPDATES**

We have omitted pricing on various products in the SourceBook for the following reasons:

1. Our regular discount prices for many products are much lower than the manufacturer’s minimum suggested advertising price.
2. Unpredictable price changes that will inevitably occur during useful life of the SourceBook.
3. To return an item you must call Customer Service for prior approval and obtain an RMA number. All merchandise purchased from B&H is sold in its original factory packaging with all contents as supplied to us by the manufacturer/distributor. Merchandise can be returned only if in original manufacturer’s packaging, same condition as sold, with all literature/instructions/documentation and blank warranty cards. Place the manufacturer’s box into a shipping carton. Please do not place stickers or shipping labels on the original manufacturer’s package. Ship to us pre-paid. For your protection insure the package and ship via a traceable method. B&H is not responsible for lost or damaged packages.

If you have any questions about a return, please call Customer Service Toll Free: 800-221-5743, In New York: 212-239-7765.
We buy, sell and trade
USED EQUIPMENT

TO SELL:
Your old or used lighting, photo, digital photo, video and pro audio equipment is valuable to us. We pay the highest current market prices for good working condition, pre-owned equipment. We offer courteous and professional service, and we pay promptly. It's easy to sell your equipment to B&H.
