# STUDIO POWER in your POCKET

The POCKETRAK 2G is the smallest, easiest to use and most portable digital recorder available today. It easily fits in a shirt pocket so you can take it everywhere. The 2G features 2GB of built-in memory so you don't need external memory cards, and the built-in USB 2.0 connectivity makes it easy to transfer your linear PCM or MP3 recordings to and from your computer. Long battery life with the enloop battery technology, a high sensitivity tilt-up stereo microphone and built-in stereo speakers make the POCKETRAK 2G a complete recording studio in your pocket. The bundled Cubase AI4 DAW software lets you easily edit and master your audio recording on your computer.

1.7 Ounces and slim true pocket-sized design

Tilt-up mic for tabletop recording

Built-in speaker and headphone outs

Enloop rechargeable battery with up to 19 hours of battery life

Bundled Cubase AI4 DAW software for editing and burning CDs

Built-in 2GB memory and USB 2.0 for easy transfers to your computer
