

# Welcome to smarter mobile

**Get started for free! No contracts, no commitments.**

Thanks for purchasing a Moto phone with Ting service at B&H.

Your new phone will come with a free Ting SIM. Once it arrives, you'll have everything you need to get started with smarter mobile.

Get started with \$30 in free service. Follow the steps below or give us a call at **1-855-846-4389**.

## Step 1: Create an account

Your Ting account is where you'll be able to set limits, caps and alerts on your usage. The less you use, the more you save.

[ting.com/useraccount/login](http://ting.com/useraccount/login)

## Step 2: Activate!

Activate using your Ting SIM card and your brand new Moto phone. You've got \$30 in free service to get started.

[ting.com/activate](http://ting.com/activate)

### **\$30 to get started**

Don't forget, you've got \$30 in free Ting service to get started.

### **Just \$23/mo**

That's how much our customers pay on average per phone.

### **Bring the family and save even more**

The more lines you add to your Ting account, the more you share usage and the more you save.

### **Nationwide LTE**

You're always covered from coast-to-coast on our LTE network.

## Get a \$25 B&H e-gift card

After you activate, look out for a \$25 B&H e-gift card from Ting in your inbox. We'll send it over in the next 7 to 10 days. Must remain an active Ting subscriber until e-gift card is received in your inbox to qualify.
