ONE-YEAR LIMITED WARRANTY

This Polsen product is warranted to the original purchaser to be free from defects in materials and workmanship under normal consumer use for a period of one (1) year from the original purchase date or thirty (30) days after replacement, whichever occurs later. The warranty provider’s responsibility with respect to this limited warranty shall be limited solely to repair or replacement, at the provider’s discretion, of any product that fails during normal use of this product in its intended manner and in its intended environment. Inoperability of the product or part(s) shall be determined by the warranty provider. If the product has been discontinued, the warranty provider reserves the right to replace it with a model of equivalent quality and function.

This warranty does not cover damage or defect caused by misuse, neglect, accident, alteration, abuse, improper installation or maintenance. EXCEPT AS PROVIDED HEREIN, THE WARRANTY PROVIDER MAKES NEITHER ANY EXPRESS WARRANTIES NOR ANY IMPLIED WARRANTIES, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. This warranty provides you with specific legal rights, and you may also have additional rights that vary from state to state.

To obtain warranty coverage, contact the Polsen Customer Service Department to obtain a return merchandise authorization (“RMA”) number, and return the defective product to Polsen along with the RMA number and proof of purchase. Shipment of the defective product is at the purchaser’s own risk and expense.

For more information or to arrange service, visit www.polsenaudio.com or call Customer Service at 212-594-2353.

7. Carrying strap

PRECAUTIONS

- Please read and follow these instructions, and keep this manual in a safe place.
- Keep this product away from water and any flammable gases or liquids.

FEATURES

- Maximum output of 10 watts
- Audible over 500 yards
- Built-in siren
- Adjustable volume control
- Collapsible handle and carrying strap
- Sturdy and lightweight ABS construction

INSTALLING THE BATTERIES

1. Make sure the ON/OFF button is in the OFF position and the volume slider at its lowest setting.
2. Insert four (4) D-size batteries with their orientation indicated by the diagram on the inside of the compartment cover.
3. Close the battery compartment cover making sure it snaps into place.

OPERATING THE MP-10

For speaking:
1. Make sure the TALK/SIREN button is in the TALK position.
2. Press the power button so that it is at the ON position.
3. Speak as close to the microphone as possible and adjust the volume slider to the desired volume.

Using the siren:
1. Press the ON/OFF button so that it is at the ON position.
2. Press the TALK/SIREN button so that it is in the SIREN position.
3. Gradually adjust the volume slider to the desired volume.
4. Turn off the siren by moving the TALK/SIREN button back to the TALK position.
